IN BECOMING A
PARENT GOVERNOR?**

Applying To Become A Parent Governor

The governing body of your child's school has, **with effect from, 2017, vacancies for parent governors** and is looking for parents who are interested in these roles. A parent governor is a person with parental responsibility for a pupil attending the school.

The role of governor is an important one, governing bodies are responsible for a variety of functions connected with the effective running of the school, including curriculum, budgeting and staffing matters. You will be supported in these duties by other experienced members of the Governing Body, the Headteacher and the Clerk of Governors.

The Authority will provide relevant support and information. Training is provided free of charge. The Welsh Government requires all new governors to undertake Induction training and training on Use of Data within a year from their date of appointment. This is a mandatory requirement.

The governing body works together as a group attending a minimum of three meetings per year. If elected you will serve for a period of four years. If your child leaves the school during this time you do not have to stand down. Should you wish to end your governorship at any time you may do so by giving written notice.

Before completing the form please ensure that you comply with the disqualification regulations given on the back.
